Episode 1: Strategy Meeting?

After I raped the elf queen Olivia, we returned to Forza Command castle.

By the way, the Elf Queen has been called the Saintess up until now.

Before we invaded the elf forest, the country was governed with an overwhelming charisma.

Her mana is too powerful that it won't lose to charisma, her character as a queen would've been complete.

Well, in the end she has degraded from a tentacle attack lover to just a bitch as a result.

Making the saintess fall, the treasures I have so far is now four.

Eunice's crystal, Elena Ria's Avar Bain, Shizuku's future mirror and Olivia's silver bow.

If I'm able to capture the celestial maiden then I'd go to the place where the goddess is afterwards.

The road that I will advance is just a bit more.

We already entered the final stage.

So to talk about the next plan, I was waiting for Aisha but—

「Ryuu, I'm entering」

With the sound of a knock, I heard Aisha's familiar voice.

Just the right time.

「Yeah. I was waiting. Enter」

Saying so, Aisha opened the door and stepped in the room.

Then she sat on the chair next to me, she purposely brought the chair.

「Did I make you wait?」

Then, Aisha next to me asked.

On the other hand, I waved my hand to tell her not to mind it.

「I was just recalling the elf forest. I didn't wait. I was worried because you were a bit slow」

「Fufu, as expected of Ryuu. You can understand a woman's heart」

「I'm honored to be told that by Aisha」

We made a light exchange but the comfort isn't bad.

Surely there's some sense of security from someone I'm used to work together and have mutual trust.

Coming up to here, the contract with Aisha will be acomplished.

Firing up, let's defeat the goddess of this world.

「How should we do the next attack?」

I immediately talked to Aisha about the strategy.

I like having not much excess collusion than needed.

「Tell me a bit about the place where the celestial maiden is」

「Okay」

Though I remember hearing about the celestial maiden, I haven't been given detailed information yet.

Me who transferred into this world don't have much knowledge in here.

In that sense, Aisha's presence can also be called a lifeline.

She has the details of the queens after all.

「The celestial maiden is ruling the city floating in the sky」

「As expected of a Celestial maiden's name, the city is even in the sky」

I've already experienced fantasy greatly up to now but it now comes to the city floating in the air?

Though I heard it from the talk, it has become fun now.

And it seems that the opponent is lacking.

「The sky city is a city-state from it's name it seems」

「Yes, it's expected to have less population than the queens on the

ground」

Aisha answered my question.

「Then, does the sky city have some weapons?」

「No, I don't think it is」

「Then, there should be no worries attacking it from the other side」

Should we do the usual side attack?

The other queens became desperate and when you count that we're invading a unprotected sky city, it would be easy.

「When it comes to it, then there should be no worries on invasion method」

「The cky city has a special gate connected somewhere on the ground. I don't know where it is though…」

「I see, as expected there seems to be no defect in design from being able to go in and out when they can fly in the air」

If it is so, then we would be able to advance easily.

Though we don't know the place of the gate, I already have ruled the queens on the ground.

If I use their power, we should be able to search for the gate leading to the sky city.

In the same way, the sky city should also be found.

No matter how much power that Queen has, It has become impossible to conceal the sky city floating from the ground.

Now that I've heard about it, I can work out on a detailed strategy.

「Leave the location for me to think, let's talk about the others」

「Got it, what's next then?」

「The strategy to capture the sky city. Let's go simple this time」

「Simple…what do you mean?」

She asked me with great curiousity glance

「First, we will warp to the sky castle then immediately go to the sky castle」

「The long distance warp in the area of the sky castle may not be possible though」

Does the celestial maiden has some kind of interference.

The possibility can't be ruled out.

「Then, we would continuously short warp just like the time at Japoneru」

「That's true. There seems to be no problems then」

It won't have any problem with it anymore because there are measures.

「Arriving at the sky castle, we could climb it. Perhaps, the guards will come out there」

「Yes, it'll be a fight when it comes to it」

「But, with Eunice's demon army and Elena Ria's knight troops then there should be no problem then. We already kick in numerical advantage」

For one country, we will invade with strength of two countries.

Since the soldiers on the other side would be women, I'll just use charm cheat when it comes to it.

Also, I think the power of the demon army and the knight troops would be enough As long as the Celestial maiden doesn't have absolute military power, I won't lose.

「If something happened that's out of expectations, we'll just adapt to the situation」

As long as there's magic, you'd be able to solve most things.

Also, the queens with the Celestial maiden as the exception are on my palms.

Though the match is already decided coming up top here, getting cautious won't hurt.

「You have any other questions?」

Since I finished talking about my strategy, I asked Aisha.

「It's fine. I hope that it all goes well」

「Of course. We have gathered the treasures steadily without problems up until now. The next one should be fine too」

I nodded lightly while affirming it.

「Should we tell everyone right away?」

Aisha tilted her head a bit.

「No, before that—」

Before I spoke out, there was a sound of the door being knocked.

The timing is good for everyone to be gathered.

There should be no problem if we can capture the celestial maiden in this manner too but.

「Enter」

Someone called me out from outside the door.

「Excuse me. Ryuu-sama」

「I'm sorry for butting in the middle of the talk. Master」

Entering the room was Succubus Melia and the female butler Seria.

「We have completed the preparations. It seems that you were talking about something so we will come back when you have finished」

Seria said when she saw me and Aisha, and tried to go out of the room bowing.

「Wait, you already have it prepared?」

I spoke to hold them back.

The two people who tried to go out of the room turned back.

「Yes. Everybody is already waiting」

「Got it, we just finished talking...the strategy meeting had ended. Let's go there」

「Acknowledged. Then we will accompany you」

Coming with Seria to guide us, Melia said so.

Melia and Seria guided us to the place and I stood up from my seat.

「What do you intend to do...?」

Hearing Melia's words, Aisha asked suspiciously.

Speaking of which, I haven't told Aisha.

「The harem sex with the queens I collected as partner」

「...Harem sex?」

「Yeah. After coming back from Forza command, everyone is asking to have sex with me」

Coming out of the room, as I walk out the hall I use to walk to, I append what's on my mind.

「I might as well do all of them at once. So I thought of doing an ogry. Looks interesting right?」

I can do harem play no matter how many times.

「...Got it. Take care」

Aisha said it while sighing.

I didn't hide it in particular but it seems that she's unsatisfied.

Did I make a mistake?

「My bad for not telling you so I'll make up this time」

「Oh, do I seem unsatisfied?」

「Clearly. That's why this is my dependability」

Saying that, Aisha's mood seems to have improved.

Then, I finally left the room.

Aisha had seen us off the room and I faced the destination and walked in the hallway.

As the castle is as wide as ever, we had walked a few minutes to get to the destination.

Then, the two people had turned towards me when we arrived.

「Master, it's here. Please enter」

It seems that the queens are waiting inside the room.

Seria knocked the door and opened it.

Seeing the door gradually open, I'm anticipating what kind of play we will do.

Episode 2: Servant's double paizuri

Seria who opened the door guided me to the other side.

The queens are already in the room.

What's inside is Eunice, Elena Ria, Shizuku, and Olivia.

It seems that the room I'm guided to is the preparation room.

I can see everyone of them feeling at home.

Noticing that I came in, all of them have their eyes shining.

「Wait bitches. I'm going to do all of you later so behave for now」

Saying that, the queens who are about to jump out withdrawn.

It might be good to entertain them before it's too late.

If their libido goes more than this they might explode.

It's good if it's in this castle but they might not be able to bear attacking me while invading the sky city.

「Then, Ryuu-sama will make preparations too」

Melia says while showing the inside of the room.

「Yeah. Got it」

Though I don't know what I need to prepare, I just answered.

If Seria said it, then there's no problem to leave it to her.

I crossed the room and headed towards the back of the room.

Turning around, Melia seems to be following from behind too.

「I'll open it」

I spoke to Seria when I arrived at the door.

If they have prepared something beforehand, it'll be troublesome if the anticipation goes down.

「Please come in」

Hearing Seria's wortds, I opened the door and entered.

Then, I looked around the room.

Somehow I feel the humidity and temperature is high.

Still, the glass door seems to be cloudy inside.

Is the other side a bathroom?

「I will also accompany you in bath. Or, would Master prefer to be alone...?」

It seems that it's correct.

Seria asked me shyly.

Even so, this girl doesn't remove her politeness.

This means that the gap when she's in disorder is great.

「I don't mind you accompanying me」

I answered while taking off my clothes.

Now that I'm not bathing alone It would be interesting 「I'm going to enter first」

「Understood. Ryuu-sama」

「I'm also going to join immediately. Master」

I entered the bathroom first and sat down on the chair.

Seria and Melia appeared next to me immediately.

I looked towards them.

That reminds me, Seria is the one that looks thinner in clothes.

Her big breast that's hidden in her clothes are exposed in front of me.

「Please don't look only at Seria」

I glanced to Melia when she spoke.

Melia has a big thing that won't lose to Seria.

The wings and tail that's specific to succubus has a nice accent.

「Then, Ryuu-sama. We will wash you」

「Please relax without reserve」

Melia and Seria said that, they kneeled near me with soap on their hands.

Then, they began to apply the soap with their own body.

「We will wash using our bodies, Ryuu-sama」

「Yeah, wash every nook and corner」

The queens are waiting but this situation is charming.

The girls may be at fault but I allowed them to enjoy this.

「Then, I'll be doing the right arm」

First, Seria has scrubbed my body from the side.

My arm is being jostled by the soft skin.

The two bulges in Seria's chest has it's form felt by me.

「I'll also be washing here」

Melia goes on the other side of Seria, the soap has made my body slimy.

From the left arm, I can feel a munyu munyu feeling.

The two of them are washing my arm using their cleavage.

「Master, we will also wash the front too」

Seria says as she had turned her naked body filled with bubbles.

「I'm going to wash the front too」

Somehow, for some reason Melia falls behind every time, is her compatibility with Seria bad?

...That doesn't matter but.

The two of them scrubs my body with all their might.

But it's a bit hard to wash me since I'm sitting on the chair.

「I'll stand to make it easier to wash. Stop for a moment」

I had the two of them stop washing and I stood up.

「This is fine, resume」

「Yes. Master」

They began to move again just as I told them.

It seems that they have finished washing the upper body, the two of them moved down little by little.

Then,

「We will wash here carefully」

Seria buried the penis in her huge breast because my penis is already half erect from the service.

「Then, I'm going to do it from the other side」

Seria from the right, had formed a shape with the penis that's sandwiched from the chest of Melia from the left.

I'm not moving on my own but the two's breasts are wet with soap so the penis rubs naturally.

The glans of my penis sticks out from between the rich twin hills of the two, it got even bigger.

「It got bigger...Master is splendid as expected」

「Being this thick, it seems it'll let out a lot of semen」

The two are admiring the erect cock of mine.

Those eyes are completely wet with lust.

It ended not just with bathing as expected.

「Your master has plans after this. If you want to then you should start to do it quickly」

It may be bad to keep the queens waiting.

Of course I'm enjoying the service of these two.

「...Understood, Master」

「Then, we're going to squeeze it...」

The two pushed their breast to the penis using both of their hands and began to move up and down.

The two soft flesh wraps and rubs the dick from all directions.

Do they feel it from the strong pressure on their chest? The pressure from the sandwiched penis goes up.

But, I won't reach ejaculation with just this.

「N, ahn...how is it? Ryuu-sama...?」

「It's not but but I feel that it's lacking...」

「Then...」

Saying that, Melia adjusted her nipples to make it hit my dick.

Seria did the same thing.

Since both are attendant of the queen, I can guess that their atmosphere is good.

「Then, this is quite good...」

Though it feels pleasant just being sandwiched, the occasional hitting of the nipple creates a stimuation.

When there is strength the pleasure increases.

The four sanding firm nipples stimulate my penis one after another.

「Hii...fuun, aaahn...! Master!」

「T-This...is our...Hyuun!」

They're raising quite a lovely voice of climax too early Perhaps they're in heat all the time while washing my body.

「My nipples feel too good...I'm about to...」

「Ryuu-sama...Me too」

The two of them are getting closer to climaxing that they accelerated their paizuri.

As the four breasts rub the penis, a wet sound echoes.

Mixing it with the lovely voice of the two, it makes me excited.

Enjoying the W paizuri, I heard a desperate voice from below.

「Nnnnah, Kuun! RYuu-sama... No more...」

「AhN~ Master...! I can't endure it anymore...Aaaahn~!」

The two seems to have reached their limits.

The two of them seems to be worked up from serving me.

I seem to be able to ejaculate immediately.

「Good, cum, both of you!」

When I said so, the to of them had their body convulsing and stiffened.

Then,

「Masteer...Cum...Cumming! Aaaaaaahn~!」

「Me too...fuaun! Cummiiiing!」

Both had an ecstatic expression as they climax.

I ejaculated right after the two climaxed.

The semen was shot between the chest and they were dyed white.

「Haa...haa...we washed it with troubles yet...」

「...We should be cleaning this again, Ryuu-sama」

The eyes of the two still hadn't had their excitement settled down.

I will make the queens wait but let's enjoy the bathroom a bit more.

Episode 3: Servant's double doggystyle

Melia and Seria's double paizuri ended.

「...We have to wash you again Master」

Seria said while wiping the sperm on her face with her finger.

「No, it's okay if it's this light」

Then I continued to look at the two

「Rather that that, I don't intend to stop yet」

It would be just a waste of time to wash.

Saying that, I can just use magic to clean it.

Still, being sandwiched on the breasts with good volume is great.

That's why, I'll play with them a bit more.

「That was quite a good service. I'll give your reward before the queens」

「...Reward?」

Melia asked.

「That's right, Reward」

Though they can be said as appetizers before the queen but I enjoy something that can be enjoyed at any time.

Let's start immediately.

「The two of you stand on all fours」

I pointed at the bathtub

「Yes...」

「As Master has commanded...」

Melia and Seria put their hands on the edge of the bathtub.

Then, they exposed their groins as they're on all fours.

「Ryuu-sama. Please do me first」

「No, please put it in to me first. Master」

Coming this far, it seems that they know what will happen.

When I say reward in this place, I guess it'll be the only thing they'll conclude.

Well, It's right.

「Then I'm going in Melia first」

I was wondering who should I fuck first but I moved immediately when I made my decision.

I moved to the direction of the impatient Melia and inserted my penis.

「Fuuuun...! It's coming in...」

Getting pleased with my reward, Melia's vagina tightened firmly around my penis.

「Please put it inside me too. Masteer...」

Seria that's next to us begged for my penis.

Seeing her getting inserted closely, it seems that she can't endure it anymore.

She's shaking her ass to tempt me.

「You can't endure it that much, Seria?」

「Y-Yes...My head is going crazy」

「What a hopeless girl」

Saying that, I pulled my dick from Melia and vigorously stabbed Seria's inside.

Seria had her body tremble from the pleasure of my penis that had entered her.

Her vagina tightens stronger than Melia.

She never knew men until recently.

That said, it doesn't mean that Melia is inferior, rather the sticky feeling

on my penis is intolerable.

「N...Haaahn~! Suddenly...that's...doing it all at once...!」

「What's wrong? Isn't it the reward you're wishing for? Shouldn't you be pleased?」

Confirming that I went in the innermost part of Seria, I began to piston at high speed.

「Ahn, Aaaahn! Fast...wait...please go slowly...!」

But, I continue to nail her rhythmically from the back.

After coming this far, there's no way I'd listen to you telling me to go slow?

Besides, this is a reward for two.

Even if they're complaining, if they seem to be pleased then I'd do it more.

Then, I felt the glance of Melia that's filled with greed.

「What's wrong Melia? If you have something to say then speak without hesitation」

「More, I want Ryuu-sama to put it in too...!」

「Yeah, got it. Very well」

To answer her demand, I pulled out my dick from Seria's honey pot and entered Melia again.

「Aaaaa! It came again...」

Feeling it swallowed deeper without permission, the penis is drawn into Melia.

That's a succubus pussy, it's holding it fast deep by itself.

「.....」

Seria sent a glance to express her dissatisfaction for having the dick pulled out of her.

Hey, Seria, don't look with such eyes.

I only have one body so I can't have sex with both of you at the same time.

Still, I feel that these two has collected a lot of lust recently.

I feel that they're really hungry for my dick today.

「Ryuu-sama...what's wrong?」

Melia asked me.

It seems my movement has become dull because I was lost in thought.

I of all people being said such a thing.

「No, there's no problem. I was just thinking. This is the real thing」

I have to be enthusiastic in this reward.

I thrust my dick with all my might.

「Aaaaaagn! Deeep, Ryuu-samaaa...!」

Melia's pussy is accepting the powerful piston that it tightens the penis.

The vagina that's full of ups and downs and love nectar is strongly stimulating me.

It's moving exactly to extract semen.

「Very good Melia, as expected of you」

Saying that, I felt that her vagina had tightened even more as she was praised.

The penis' pleasure has increased.

「E-even I can make Master feel good too!」

Saying that, Seria is now the one shaking her ass and showing her vagina.

The competition of the two for the penis has escalated.

I welcome it because I am enjoying this.

Answering her tempations, I pulled out my dick from Melia and put it inside Seria.

Then, I began to piston immediately.

「Hiii! Intense, It's too intense, Master!」

「You're giving up with just this? Then I'll cum inside Melia」

Hearing that, Seria shook her head.

「N-Noo, I want Master's semen!」

「Then, do your best and tighten」

Then, I made the piston even more violent.

The sound of banging echoes in the bathroom.

「Na, Haa, Ryuu-sama, you can use me anytime you know」

This time it's Melia who invites me by spreading her vagina.

Her vagina is twitching.

If I put it in there it would feel fucking good that there's no need to imagine.

I put my dick inside Melia as I can't endure.

「Fuu, it really feels good」

Just as it looks, my penis embraced by the wriggling vagina would make me cum at any moment.

「Saying that makes me happy」

「But, do you think you can easily win against Seria because you're a succubus?」

I powerfully pierced the depths of Melia.

「Hyaaauu! That's no goooood!」

Since I'm with her longer than I'm with Seria, I know her various weak points.

It's another one of her weakness when she's attack on the depths.

「Your feet is trembling Melia, are Succubus like this?」

「Because, Ryuu-sama's coooock! Hiin, don't do me so deep again!」

Melia desperately endured though her foot is trembling.

I feel good to lead such a succubus.

I kept doing the two of them alternately.

But, doing it also takes too much time.

I can't make the queens to wait too much.

At that time, I inserted my penis alternately and felt the change in the two's vagina.

Both are about to reach climax soon.

That said, I can't choose to cum inside only one of them.

Then, I'll splash it over the two of them in the end.

「I'm about to cum」

Melia and Seria immediately reacted.

「Please let it out...! In us!」

「Please give us lots of Master's semen!」

「Okay, I'll let it out, line up!」

I lined them up and pressed in their sticking out buttocks.

I pulled out my penis and ejaculated on the back of the two.

「Hot...Nnuuuuu! Ahn...hyaaaaauuuuun!」

「Auuuu, Aaaaaa! Cumiiiiiiiiiiingngg!」

Melia and Seria reached climax while being painted with semen.

It feels nice to see two beautiful women being wet with my semen.

Both of them trembled for a while as they taste the pleasure but they fall down on the bathroom floor while gasping.

「Ha, Fuun...As expected, sex with Ryuu-sama is amazing...」

「Haahau...It felt good...Master, thank you for the reward...」

Both of them gave their words of gratitude.

They don't forget to give courtesy even in this state, both are really servants.

「Then, I'm going to the queens already」

I left the two who can't even stand and went to the next place.

Now, how will the Queens delight me?

Episode 4: Harem Sex with the Queens 1

After I did Melia and Seria from the back, I came back to the dressing room.

I removed the dirt from when I did the two of them using magic.

Is there a meaning to bath if you can clean your clothes with magic? But it's precisely because it's possible in the bath./

It's a situation dependent thing.

Well, that doesn't matter.

The thing in the bath was just an apetizer.

「...Now then, let's go to the main dish.」

I put my hand on the door knob of the dressing room.

I'm not wearing any clothes.

I'll just take it off after coming.

Then, I opened the door energetically.

Then I opened the door, the four nude queens are already waiting.

「Onii-san! Let's do it already!」

「I'm already tired of waiting. My king」

「I want you to violate me right now...」

「You came. Let's begin already」

The queens waiting for me in the room are Eunice, Elena Ria, Shizuku and Olivia, each of them said that they were waiting.

Certainly, I had stayed in the bathroom for a bit long.

This girls probably are looking forward to the Harem Sex that's about to begin.

「I made you wait. Should we begin?」

I'll do them until they're satisfied.

Of course, until I'm satisfied too.

「But it might be too much to do all four of us at the same time... Let's see...Let's do it by twos」

「How should we group?」

Shizuku asked.

「First would be Shizuku and Olivia」

「Understood」

「That's wonderful」

When I talked to Shizuku and Olivia,

「Why. Why not us first?」

Eunice asked.

「The more you're willing to wait the better the recoil is. Wait for a bit」

It might be a slight excuse.

Well, the feeling of being buried on four women bodies isn't bad either.

I will firmly taste all of them.

「Nn~...Got it」

「What about Elena Ria?」

「Of course」

Now then, let's go with Shizuku and Olivia first.

「...You're going to dress me like a dog again?」

Olivia's eyes seems to be expecting something.

Speaking of which, we did a play using a dog ears and tail.

Olivia who can't be satisfied by normal means seems to be addicted in dog play.

But, that's the end.

「No, there's no ear nor tails today」

「W-why?」

「I'm tired already」

If we do that play all the time, the freshness would disappear.

Doing different every time is the essence so it'll only be occasional.

「Umu...I see」

「That's how it is. It's not that I'm tired of you so don't mind it」

Olivia looks disappointed but she nodded on my follow-up.

「Still not yet? Please fuck me already」

Unable to endure the talk, Shizuku came to interrupt from the side.

Still, her behavior is interesting.

Compared to when I first met her, she's now a completely splendid slut.

It's a suitable member of my Harem.

「Right, the talk has become long」

It's useless to talk here so I'm going to enjoy the bodies of the queens.

「Come here」

They're already naked so their rich chests bounced.

「Shizuku will be the first one, come to me」

I said and lied down on the huge bed.

It seems that it can accommodate five people at the same time but the limit for having sex freely would be three people.

「Yes, with pleasure!」

Shizuku feels glad as she can have sex with me.

Her cuteness corresponds to her age if you look at her but that's it.

「Then, I'm going to take in the penis immediately」

Saying that, Shizuku held the penis with her hand and put it inside her vagina.

Even her appearance is clean, her inside is a big pervert.

「Naaaa, A penis after a long wait is amazing! I'm going crazy already!」

「Hey hey, you just put it in」

Saying that, Olivia drawn her body into me.

「It can't be helped, it's been a while since we had sex」

「Olivia too?」

I asked her while rubbing her chest.

She answered while having her chest is being massaged.

「That's right, I'm already wet just thinking of you putting it in」

「I'll do you a lot after Shizuku」

Shizuku shakes her waist greatly while I was talking to Olivia.

「Ahii, nn, Nnn!」

Her expression is melting away, she can't be called the same person as her usual.

But, this Shizuku is the real one.

There's no grace as a Shrine maiden that protected the treasure.

「You've become quite skillful, do a bit more and I'll ejaculate」

Saying that, Shizuku's eyes sparkled.

「Is that true? I can finally get Ryuu-sama's semen!?」

「Yeah, that's why move your waist more」

「Yes! I'll make Ryuu-sama feel good, please ejaculate a lot!」

Thanks to her weight helping the piston, my dick easily reaches her womb.

But, that's good too that Shizuku grinded her waist even further.

「Ku, the stimulation...」

I accepted the sensation of Shizuku's daring movement of waist and the

arousal increased.

「Fuaa, fuiiii! Penis is going too deep, I'm about to cum!」

「You're the one doing it. But, me too...」

I who was about to reach the limit begins to move my own waist too.

「Ahyaaa! The penis under is thrusting and piercing meeeee!」

It became a trigger, Shizuku's vagina tightened as if squeezing semen out of my penis.

「Not yet, just a bit more...」

I began my last spurt to ejaculate too.

「Hiiii! Cum, I'm cumming! The penis is poking and making me crazyyyyyy!!」

「Cumming, Shizuku!」

「Hahiii! Pwease rewease Ryuu-shama's shemen inshiiideee!!」

I ejaculated the sexual feeling I endured.

「Inside, Something hot is coming inside! Cumming, Cumming agaiiin!」

Shizuku trembled from the climax.

I supported her body and laid her down on the bed.

「Now, next would be me」

Turning around, Olivia had been waiting 「I want you to do me as much as I waited」

The Saintess that's filled with air of superiority from our first meeting is looking at me with enticing eyes.

That feels great.

「Okay, Olivia would lie down on the bed sideways」

「...Like this?」

「That's right, and I'll do this」

I lifted one of Olivia's legs and put it over my shoulder.

The vagina is completely exposed this way.

「We'll get different pleasure from usual if I do you in this position」

Saying that, my penis that won't calm down went inside Olivia's pussy.

「Ngi! The penis came all the way inside suddenly!」

「This, the feel from the inside is different from the usual...」

「Au, the penis is different from the usual?」

That's right, since the insertion posture from missionary and doggy style is ninety degrees, the pleasure from this direction can be usually felt.

「Aaffuun! Also, it's deeper than usual!?」

The posture where I'm holding her feet makes the penis go in deeper.

Olivia shakes her waist and it feels quite pleasant.

Her charming breasts shake every time I strike her waist.

「How's it, Olivia? What do you think about this new position?」

「I-It feels too good that I can't think of anything else!」

Olivia's vagina convulsed just as she described.

It's hard to play with this vagina. I have another Idea.

I stared at the huge breast of Olivia that she's in front of me.

「That's right, I wonder if it feels good when you're attacked here too」

I stretched my hand on Olivia's breast.

「Ahn~ Fu, I'm feeling it when you're playing with my breasts!」

Her big breasts is beyond imagination.

Then, I attacked her by fiddling the nipple that's on the top of the mountain.

「Ahn~ This is impossible! I'm cumming!」

「What a hopeless girl. Then at least we cum together」

I moved my waist violently to get pleasure.

I moved selfishly without minding Olivia and the sexual feeling rises.

But, unable to bear it, Olivia lost.

「Ah, Ah, Cumming! I'm cumming from the penis poking me!」

「I'm cumming too! I'm going to pour it inside!」

In the end, I thrust in my penis inside Olivia's vagina at full force.

Then, I ejaculated while rubbing the penis in her womb.

「Higuu, the semen is flowing into my womb!! Cumming, Cumiiing, cumming, cumiiiiin!」

I poured semen inside Olivia on the last minute, getting up while breathing roughly.

Now, that's half. There's still two of them The harem sex with the queens still on the half.

Episode 5: Harem sex with the Queens 2

Sending a sidelong glance on Shizuku and Olivia who lost their strength, I faced the remaining two.

「I kept you waiting, Eunice, Elena Ria. It's your turn this time...Hey」

Getting off the bed and turning around, I saw Eunice violating Elena Ria.

It seems that they can't wait and started already.

A familiar penis had already grown between Eunice's crotch and it's piercing Elena Ria's anus.

「Nhaa! This is amazing! Who feels it better, you or Shizuku?」

「Don't ask me such things, Uhiiiiiii!」

They're quite aroused it seems.

I can just look at the two of them have sex but I won't be satisfied until I fucked them all.

In this case, I can choose to break in and sandwich Eunice or sandwich Elena Ria.

Then, I chose the later this time.

「I'm joining in」

I approached quickly, stood in front of Elena Ria and violated Eunice from behind.

「Ah, Onii-chan! You're done with the two already?」

「M-My king!? This, Eunice attacked me because I was careless...」

Suddenly showing up to them, they had different reactions.

Eunice behaves like it's nothing and Elena Ria makes an excuse in panic.

Both of their characters come out.

「Yeah, the two of them are lying on the bed. Also, Eunice doing this is

just a norm of her ability, don't mind it」

To attack and have sex with the user of the sword treasure.

Though she said she's caught by surprise, does this mean that Eunice is a better Queen?

I forgot since she usually doesn't show that kind of atmosphere.

「It seems that you've been enjoying yourselves while I'm not here」

「Ahaha, I got tired of waiting. But, Elena Ria's ass feels quite good. It tightens as I rub it」

Whenever Eunice shakes her waist, Elena Ria reacts instantly.

「Higi! S-Stop it Eunice. 」 In front of my king, guu!」

「Ah, I can't stop my waist!」

Eunice who shakes her waist feeling good and Elena Ria is putting up with it.

However, she seems to be giving room to be violated a little more, does Eunice prioritize giving me pleasure?

「I won't leg you go, nfuu!」

「U—, Scary. But, you're just moaning as I thrust your ass right now」

Eunice says to provoke her.

Elena Ria who's blushing deep red answered back.

「S-Shut up! You perverted woman!」

Though she tries to slip away, the pleasure given by Eunice seems to be powerful.

If it's like this then I'll just have my own way too.

「Well, don't get so angry, Elena Ria. In exchange, I'll violate you too」

I approached her while saying so and showed off my penis.

W-wait for a moment, King, I'm being violated by Eunice from the back right now!」

She usually takes my penis in her mouth with pleasure but does she think if it that bad?

Then, I want to try it more.

「That's regrettable but I have already decided. Eunice, Help me」

「Fufufu, Got it!」

Eunice who loves tricks easily agreed to my proposal.

「Really, please wait, King! If you put it in right now...!」

「Now, I wonder what will happen? Would you show me?」

「.....!」

Eunice held Elena Ria's hand to make sure she can't resist.

I lift her waist and inserted my penis in her vagina.

「Ku, aaaaaaa!」

Elena Ria leaks out a voice of agony for her first time double penetration.

「Don't worry, that voice will change into gasping immediately. Let's go, Eunice」

「Un!」

We match our timing and pushed up Elena Ria.

「O, Hooooooo!?」

It seems that the pain have turned into pleasure from the first stroke somehow or another.

「You look amazing, Elena Ria. Are you really glad that I'm in the front?」

「Hii, Hii, Ryuu-samaa...」

Eunice had removed her restraint on Elena Ria who completely fell for pleasure, she clings into my shoulders.

It feels thrilling to see the expression of the girl clinging to me.

「Very well, show it more」

Saying that, I began to swing my waist again.

Eunice also matched it.

「Agiiiiiii! A penis on both of my pussy and ass! My insides are being crushed!」

Elena Ria's lovely voice becomes the BGM of the swinging waist and I can feel Eunice's penis moving between the wall of flesh.

Since Eunice's dick is quite something, It makes a sense of oppression for Elena Ria.

But, I compensate that and give the pleasure of domination to her.

「Being violated from both sides, No, Cumming! I'm cumming already!」

「Show me how you cum magnificently」

Eunice and I increased the speed of the piston.

As her love nectar leaks in large quantities and stained her legs, Elena Ria had a huge convulsion.

「Cum, Cumming, Cumming! I'm cumming from my ass and pussy!」

「Uu, it's tight」

Did her anus tighten from the climax too? Eunice looks like she's feeling good.

「You can't rest yet. You'll going to squeeze semen out of us」

「U, Un」

Elena Ria's voice was heard when we resumed our piston after she climaxed.

「K-King, any more than this and I would break...」

She said that but we're not satisfied yet.

That's why I ignored that plea and continued to piston.

「Uuuu! K-King! Ryuu-sama!」

When I pushed up her womb instead of answering, she changed it to a lovely voice at once.

「n, haahaa, Onii-chan, I'm at my limit too...」

Eunice is the one who appealed this time.

「Yeah, right. Me too. We'll go pour our semen inside Elena Ria with all our might in the end」

「Un, got it!」

We matched our timing and pierced the deepest part of Elena Ria, then ejaculated.

「Ahiiiiiiii! M-My insides are hooooooot!」

Elena Ria trembles as she accept both our ejaculation.

「Ah, Cumming! CummingCumming, Cumiiiiiiiiing!」

She who received large amounts of semen in her womb and ass wasn't able to endure the heat.

I waited for Elena Ria's climax to calm down and laid down the body along with the two people from a while ago.

「...Uu, K-King...」

「Take a rest for a while」

I told Elena Ria and turned to the last one, Eunice.

「It's finally my turn, Onii-chan1」

She had exposed the terrible foolishness of Elena Ria in front of me, as expected.

There's no slice of hesitation found on her.

「What do you want Eunice? I'll listen if you have a request」

「Really? Yay!」

Eunice was honestly glad.

Well, she showed off herself, I don't hate things like this too.

「Then, doing in front is okay?」

「Oh? You want me to lead? It's not my fault whatever would happen then」

「Ahaha, if anything, I'd like you to make a mess of me」

Eunice said that.

Then, I'll do as you request.

「Lie down...the bed is full, let's go on the desk there」

「Yes, yes, Heave ho! Now, come, Onii-chan」

Eunice who lied down as I told her invites me.

A wet twitching vagina between her feet is wet because of her love nectar.

However, there's no penis that was used to violate Elena Ria's anus a while ago.

It seems that she had removed it already.

「Now then, should we begin?」

I stand before Eunice and placed my dick in her vagina.

Then, I thrust in my waist.

「Kuhaa! Onii-chan is really big!」

With her cheeks blushing in excitement, Eunice still has a room to spare.

I began to swing my waist to make her fall in the cliff of pleasure.

「Nhiii, You're banging your waist! It's really erotic!」

I lifted Eunice's foot and made it look M then I nailed in my waist.

That's why, it's making a dry sound when my waist hits Eunice's ass.

「N, Haa, nn!! Amazing, it's amaziing! Onii-chan's penis is banging my womb!!」

Putting my spirit on the piston, Eunice's composure gradually

disappeared.

Her vagina wriggles violently and I can understand how much Eunice feels it.

Since she'd been teased so far, she might've accumulated it.

「No way, I want to feel onii-chan more yet...I'm already going to cum!」

Eunice tells that she's reaching her limit.

I hear it and made a wry face.

「Very well, cum and show it to me. I won't loosen my grip until the last minute」

「Ahn~ Wait, Onii-chan! If you do me that violently...Ah, aaaaa!」

Eunice trembled greatly.

She came lightly.

「That's the spirit, Eunice. Cum more」

The tightening vagina urges to be excavated.

Of course, I don't worry about being attacked by pleasure.

I'm only thinking about violating Eunice right now.

「You don't feel embarrassed that you're tightening my thing?」

「B-because, onii-chan's penis pierces me I can't endure it! Agii! Cumming again!」

Eunice had her face crumple in climax.

The sexual feeling from me rises too.

「I'm about to cum soon. Where do you want it?」

「Inside my womb! I want Onii-chan's semen in the innermost part!」

Eunice answered immediately.

「Very well, don't faint until then」

I shake my waist to reach the climax.

It was a egoistic movement, Still, it seems that I'm giving Eunice too much pleasure right now.

「Ah, ooooo! Impossible, Cum, cummiiiing!」

Eunice cums as I shake my waist.

Her vagina shuts tight and I reached my limit.

「Cumming, Eunice」

「Au! Come, Come, Coomee! Pour in your semeeeeeeen!!」

I drive my last thrust inside Eunice's womb and ejaculated.

Byuku, Byubyururururu!

「Hii, Ooohooooo!!」

Looking at her, Eunice's eyes turned white.

I was satisfied seeing that and pulled out my penis.

Then, I also carried Eunice to lay down on the bed.

The queens are lying down in in a row like a heap of corpses, all of their vaginas have semen flowing backwards.

「Fuu, doing it like this should be fine」

All of them are lying down with a smile on their face, it seems that they're satisfied.

I lowered my waist on the nearby chair and enjoyed the aftertaste of the orgy for a while.

Episode 6: Aisha's doggy style

After I have finished the four Queens, I left the recovery to Seria and Melia and returned to my room.

Though I was a bit in loss since there's no guide, I still managed to reach my own room somehow.

「Fuu, doing four at the same time and they're all queens, it's quite tiresome」

I use much more than the usual stamina if the charming queens are my partner.

When I entered the room, I unconsciously stopped walking.

「You, why are you still here?」

「Oh, I'm going to ask you back, why I can't be here?」

Surprisingly, Aisha is still in the room.

She's sitting on the chair, drinking tea elegantly.

「No, you can suit yourself. But, you're here all the while?」

I think it's been several hours since I left the room.

「Right. By the way, it seems that you've enjoyed yourself with the queens」

Oh, could she be jealous?

I intended to make a follow up before I went out of the room.

Looking at her, Aisha is watching me intently.

Though it seems expressionless, she's angry if you look further.

「...Don't get so angry. There's no way I can leave the Queens on estrus right?」

「I do get that. I'm also a woman after all」

Aisha said, but her mood doesn't seem to be okay.

Her reason and emotion are different I guess.

「It can't be helped」

I approached Aisha and took her hand to stand her up.

「What are you...Kya!」

I threw her down to bed just like that.

「W-wait Ryuu! What are you doing!?」

The panicking Aisha fell down.

「If you keep looking sulky then I thought of making you gasp hard」

Aisha's face reddened.

「That's unfair! Saying something like that」

「But, you don't seem to hate it」

She resisted momentarily when I threw her down but she stopped when she heard my words.

Though there are a lot coming out of her mouth, she's not hateful from the bottom of her heart.

「Because, I don't think having sex with Ryuu is bad. That's why I'm telling you that you're unfair」

Saying that, she stopped putting power from the hand stopping my arm.

Confirming that Aisha won't resist, I try to take off her clothes.

「Wait, at least I'll be the one taking off my clothes」

But, Aisha stood up while saying that.

I threw her down again.

「It's man's arousal to take off a woman's cloth. Just be obedient and lie down」

I said while restraining her and took off her clothes piece by piece once again.

「If that's what Ryuu says」

Aisha became obedient and let me do it.

Though her clothes are extremely non-existent, it still has a wide margin from being nude.

Aisha's big breasts appeared as I slowly removed her clothes.

The size seems like I'm peeling the skin of a melon.

「Don't look at it so much...」

「What? Embarrassed?」

I think Aisha won't be embarrassed with just this but...

Then, she moved impatiently and spoke out bashfully.

「Being seen by Ryuu makes my nipples erect」

「You're...really」

She's really lewd.

Also, I think that the degree is getting extreme recently.

「It gets harder if I do this right?」

I licked the exposed nipples.

「n, Au...that's, going to get hard immediately」

Aisha raise a seductive voice.

That's right, this is much more like you.

「Haahaa, I also have to prepare Ryuu」

While I was caressing her nipples, Aisha got up.

Then she sunk her head between the cross-legged me.

「I can see that it's hard even from the top of your clothes. I'll ease it immediately」

Aisha quickly took of my clothes while sayinng and kissed the exposed penis.

「Chu, Rerorero...it's getting even bigger.」

Seeing Aisha's beautiful nude body already made it half erect but it now got fully erect.

Though it's a soft fellatio with no intensity, I get aroused enough if Aisha does it.

There's the sense of security as she's with me from the start.

I feel that I can relax with her more than any other women.

「That's fine already. Get down on all fours and turn your ass towards me」

「Doing me from the back? I'm glad. Are you going to be violent like a beast?」

「I'll make you release a gasping voice from your mouth right away」

I put my erect penis on the entrance of her vagina and thrust in my waist.

「Ahn, Ukuu! Your big thing is coming in...Aaahn~!」

The penis immediately went inside Aisha.

The penis smoothly inserts her vagina with a powerful swallow.

However, once it went inside, it tightened.

「Very well, As expected of Aisha.」

「Haaa,nnn, does it feel good?」

「Yeah, it fits perfectly into mine. Doing it this way will make me cum soon」

Actually, even if I don't move, Aisha's pussy stimulates my penis.

So, the stimulation is sure enough to make me ejaculate without moving my hips.

「But, that's half-kill...」

Even if I feel good, it won't be a joke for Aisha.

「...Please, move your waist, make me cum with Ryuu's cock!」

Being silent for a while, she finally pleaded.

She's breathing roughly, it's already her limit.

「Then, I'll do as you wish」

Just as Aisha wished, I began to shake my waist.

However, I started at max power.

Reaching the depths, my waist is driven until it strike Aisha's ass.

「Ah, Hiin! This is, it's too strong from the start!」

「I'm doing only as you wished. Didn't you tell me to not hold back and make you cum?」

「Because, doing it so suddenly...Ahn~ It feels too good! I'm going to break!」

「I'll fix you if you do. That's why be at ease and cum!」

To make Aisha cum, I further increased the speed of the piston.

Aisha's body trembles from the violent attack.

「Don't, it's impossible already! CumCum, Cummiiiiiiiiiinnnnggg!!」

Feeling the sign of climax, I nailed my penis towards her womb and finished her.

「Cumming, I'm cumming from Ryuu's diiiiiiiick!!」

Aisha climaxed and her whole body trembles in pleasure.

「Haahaa, T-That was amazing. I thought I would faint...」

Aisha who can't maintain her posture collapsed.

However, only her waist remains.

「Aisha, I still haven't finished yet.」

Saying that, Aisha trembled.

「P-Please wait for a moment. I still have to regain...hii!」

I began to move my waist without waiting for her to finish speaking.

「It's my turn to enjoy it this time」

I moved selfishly without minding Aisha.

I bang my waist greedily and violently, enjoying the feeling of her vagina.

Aisha goes well with me.

I'm moving properly and the stimulation given to my penis is irresistible.

「Ah, Ah, I can't feel my waist!」

If I don't hold her waist it would probably collapse too.

I continued to piston and felt my ejaculation rising.

「I'm about to cum Aisha」

「Nn, Haa! Come! Put Ryuu's semen inside me!」

「Yeah, I'm going to fill you up until you're full!」

Not being able to suppress the climax anymore, I cover Aisha.

Then, I played with the clitoris that's been untouched so far.

The moment I touched it, Aisha who said that she had lost the feeling of her waist jumps up.

「A, aaaaaaa! Cumming, cumiiiiiing!!」

「Uu!」

Her vagina shuts tightly and stimulates my penis violently.

Then I ejaculated as I can't endure it.

Byuu! Byuubyuuruuruur!!

Just as I declared, I had filled her womb with a large quantity of semen.

「Haa, haa, Are you satisfied now, Aisha?...Aisha?」

I looked at her as she's not responding, she fainted.

「...Can't be helped」

She's going to catch cold if I leave her like this so I covered her with a blanket.

Then I began to drink the beverage Aisha prepared for me.
